Our partners and JV's automatic equipments are at the advanced dust-free workshops for producing paper products including paper cups, bags, salad bowl, lunch box, deli box, soup tub, paper lid, paper straw etc.

Specific and professional departments like design, sales, production. Design team make sure the artworks, printing would follow up client's intention, also they can offer professional suggestion for you.

Through years of efforts and development, we exported over various countries and regions, also shipped 150 containers per month.

ersten has been actively expanded the international market, mainly focusing on the MENA Europe & America areas, also keeping the exploration of more opportunities and cooperations.

ersten closely follow the trend of the disposable catering and packaging industry, with the awareness of the environmental protection, food hygiene and safety. We also highly value the concepts. Therefore, we start to provide the Compostable & Biodegradable series like bamboo fibre, sugarcane and kraft materials.

ersten's vision is " Provide one-stop quality service for global packaging customers".

In the future, ersten will continue to develop distribution abilities and offer more environmental disposable packages.

Compostable & Biodegradable
